

Farmer and Grower Price List

24 August 2015

Refer to information sheets for product details (available on the website or from the office).

All prices are GST exclusive & ex-factory. Prices may change without notice.

Bulk fertilisers	kg per ha	Cost/t	Comment	*BioGro certified
Soil Force*	200-500	\$444	Composted RPR with humic acid, fish plus, & basalt rock dust	
BioRocket	50-200	\$814	Safe N fertiliser; prevents N leaching/volatilisation	
NanoCal	100-1000	\$134	Fine micron calcium carbonate, trace minerals and sugar	
Hi Cal	100-300	\$274	High-energy Ca sources plus minor and trace elements	
ReCharge*	100-1000	\$174	Composted calcium carbonate with EF Raw Humates	
Raw Humates*	50-1000	\$468	Nutrient stabiliser & carbon source	
Soil Mag*	50-500	\$234	Composted magnesium silicate with fish and raw humates	
Soil conditioner*	50-200	\$368	Opens up compacted soils with Ca and S	
EF BAS 50*	500-1000	\$150	Trace minerals sourced from highly paramagnetic basalt rock	
Natures Nitro*	500-2000	\$154	Natural ammonium sulphate from organic sources	
Activated Carbon*	50-500	\$2,200	Bio-char is an enduring carbon source and soil detoxifier	
Soluble Humate Gran. [EF]	2.5-10	\$1 /kg	Add to urea at 10% w/w to prevent N leaching/volatilisation	
Sol. Humate Gran. (Chinese)	2.5-10	\$2.50 /kg	High quality, suitable for making liquid soluble humates	

For non-bulk orders add \$171.50 + GST for each 1 t bag (\$100 filling cost, \$49.50 bag, \$22 pallet). Refund available if returned in reusable condition (\$22 pallet & \$40.50 bag). Freight not included. We get quotes & back-load if possible

Microbial Inoculants:	Rate/ha	Cost	Comment	** can be added to bulk mixes
Bio Vam**	1 kg	\$100 /kg	Blend of mycorrhizal soil fungi and beneficial bacteria	
Combo 12**	1-2 kg	\$80 /kg	Broad spectrum insect, mite, fungal pathogen bio-control	
P.S.A. Brew	100 L	50c /L	Mineral & microbe fertiliser. Use within 3-5 days. Max. 80 psi.	

Foliar liquid fertilisers:	Rate/ha	Cost/20L	200L	1000L	*BioGro certified
EF Cal Bor*	5-20 L	\$80	\$700	\$1,750	Cost of pods included in 1000L price (\$200 refund if returned in reusable condition.) Drums not refundable
EF Cal Phos*	2-5 L	\$60	\$500	\$1,250	
EF Micronised Humates*	2-20 L	\$80	\$600	\$2,250	
EF Bio Cal*	2-7 L	\$60	\$220	\$1,250	
EF Humus Builder	10 L	\$60	\$400	\$1,450	
EF Fish Plus*	2-7 L	\$80	\$600	\$1,250	
EF Liquid Kelp*	1-3 L	\$80	\$500	\$1,250	
EF Vegetative Foliar	3-20 L	\$100	\$800	\$2,750	
EF Reproductive Foliar	5-10 L	\$100	\$800	\$3,250	
EF Activated Carbon Foliar*	4-20 L	\$60	\$400	\$1,250	
EF Calcium Trigger!	1-2 kg	\$10 /10 kg		\$1,000/T	! Premix in water before adding to tank
EF Soluble Nitro Cal!	5-100 kg	\$40 /25 kg		\$1,000/T	! Premix in water before adding to tank

Herbicide Amelioration	Rate/ha	Cost/20L	200L	Comment
A.C.E	1-5L/ha	\$60	\$500	Also can be used as foliar fertiliser & animal feed
Glypho-Mate	1-5L/ha	\$200	\$2,000	Weed spray

Animal Health:	Cost/20L	200L	1000L	Approx cost/cow/day
Stock Primer - humated mineral salts	\$120	\$800	\$3,250	5-7 c /cow /day at 15 ml/day
EF Stock Lick - free choice trace minerals & salt (powder)	20kg \$50	500kg \$1,200	1 tonne \$2,300	
Poultry Minerals (powder)	\$25.20 (5kg)	\$100 (20kg)		
Fulvic Acid Powder	\$450/25kg	or	\$24.80/kg	Also used as foliar & herbicide amelioration
