EF Activated Carbon*	50-500	\$2,200	Bio-char is an enduring carbon source and soil detoxifier	
EF BAS 50*	500-1000	\$150	Trace minerals sourced from highly paramagnetic basalt rock	
EF BioRocket	50-200	\$814	Safe N fertiliser; prevents N leaching/volatilisation	
EF Soil Force*	200-500	\$444	Composted RPR with humic acid, fish plus, & basalt rock dust	
EF NanoCal	100-1000	\$134	Fine micron calcium carbonate, trace minerals and sugar	
EF Natures Nitro*	500-2000	\$154	Natural ammonium sulphate from organic sources	
EF Raw Humates*	50-1000	\$468	Nutrient stabiliser & carbon source	
EF ReCharge*	100-1000	\$174	Composted calcium carbonate with EF Raw Humates	
EF Soil Conditioner*	50-200	\$368	Opens up compacted soils with Ca and S	
EF Soil Mag*	50-500	\$234	Composted magnesium silicate with fish and raw humates	
EF Soluble Humate Granules	2.5-10	\$1 /kg	Add to urea at 10% w/w to prevent N leaching/volatilisation	

For non-bulk orders add \$171.50 + GST for each 1 t bag (\$100 filling cost, \$49.50 bag, \$22 pallet). Refund available if returned in reusable condition (\$22 pallet & \$40.50 bag). Freight not included. We get quotes & back-load if possible

Microbial Inoculants:	Rate/ha	Cost	Comment	** can be added to bulk mixes
EF 10/25 Soil Microbes**	1 kg	\$100 /kg	Mix of bacteria and predatory fungi to improve soil structure and fertility	
EF Combo 12**	1-2 kg	\$110.43 /kg	Broad spectrum insect, mite, fungal pathogen bio-control	
EF P.S.A. Brew	100 L	521.74 per 1,000L	Mineral & microbe fertiliser. Use within 3-5 days. Max. 80 psi. Minimum order, 1,000L	

Foliar liquid fertilisers:	Rate/ha	Cost/20L	200L	1,000L	*BioGro certified	
EF Activated Carbon Foliar*	4-20 L	\$73.04	\$400	\$1,250	Cost of pods included in 1,000L price (\$200 refund if returned in reusable condition). Drums are not refundable	
EF Bio Cal*	2-7 L	\$66.09	\$220	\$1,250		
EF Cal Bor*	5-20 L	\$88.70	\$700	\$1,750		
EF Cal Phos*	2-5 L	\$66.09	\$500	\$1,250		
EF Carbon +	POA					
EF Fish Plus*	2-7 L	\$88.70	\$600	\$1,250		
EF Humus Builder	10 L	\$66.09	\$400	\$1,450		
EF Liquid Kelp*	1-3 L	\$88.70	\$500	\$1,250		
EF Micronised Humates*	2-20 L	\$80.00	\$600	\$2,250		
EF Reproductive Foliar	5-10 L	\$110.43	\$800	\$3,250		
EF Vegetative Foliar	3-20 L	\$110.43	\$800	\$2,750		
EF Calcium Trigger!	1-2 kg	\$10 /10 kg		\$1,000/T		! Premix in water before adding to tank
EF Soluble Nitro Cal!	5-100 kg	\$40 /25 kg		\$1,000/T		! Premix in water before adding to tank

Herbicide Amelioration	Rate/ha	Cost/20L	200L	Comment
EF A.C.E	1-5L/ha	\$66.09	\$500	Also can be used as foliar fertiliser & animal feed
EF Glypho-Mate	1-5L/ha	\$220	\$2,000	Weed spray

Animal Health:	Cost/20L	200L	1000L	Approx cost/cow/day
EF Stock Primer - humated mineral salts	\$132.17	\$800	\$3,250	8-10c /cow /day at 15 ml/day
EF Stock Lick - free choice trace minerals & salt (powder)	20kg	500kg	1 tonne	
	\$54.78	\$1,200	\$2,300	
EF Poultry Minerals (powder)	\$27.83 (5kg)	\$110.43 (20kg)		
EF Fulvic Acid Powder	\$450/25kg	or	\$24.80/kg	Also used as foliar & herbicide amelioration
