Products marked (BioGro) are certified for use in BioGro certified Organic products. For further information, refer to <https://www.biogro.co.nz/>

Home Garden Solid Products

| Product | Size | Price (incl. GST) | Description |
|--|------|-------------------|--|
| EF Activated Carbon (BioGro) | 10kg | \$ 29.00 | Bio-Char is an enduring carbon source with amazing plant growth enhancement properties |
| EF BAS 50 (BioGro) | 20kg | \$ 20.00 | Trace minerals sourced from highly paramagnetic basalt rock |
| EF Bio Rocket | 5kg | \$ 22.00 | Soluble; humate stabilised; N, P, S and Ca to increase soil energy |
| | 20kg | \$ 74.00 | |
| EF Calcium Trigger | 1kg | \$ 5.00 | Stimulates root growth, boosts calcium levels for higher brix crop growth |
| | 10kg | \$ 11.00 | |
| EF Calci-Sil | 20kg | \$ 20.00 | Great source of plant-available calcium |
| EF Compost | 20kg | \$ 12.00 | |
| Diatomaceous Earth | 1kg | \$ 5.00 | A physical, biological pest control option |
| | 11kg | \$ 52.00 | |
| | 1t | \$ 189.00 | Improve soil fertility by increasing microbial activity and storing plant nutrients |
| EF Fulvic Acid Powder | 1kg | \$ 27.00 | Promotes crop residue decomposition, boosts plant immunity, enhances seed germination and early |
| | 25kg | \$ 495.00 | growth |
| EF Garden Mulch | 1t | \$ 96.00 | Great way of saving water and suppressing weeds |
| EF Multi Cal | 20kg | \$ 28.00 | Three quality calcium sources plus carbon to prevent leaching from root zone |
| EF Nano Cal | 20kg | \$ 28.00 | Fine micron calcium carbonate, trace minerals and sugar to promote beneficial soil bacteria growth |
| EF Natures Garden Fertiliser (NGF) | 5kg | \$ 18.00 | Full-spectrum biological soil and plant nutrition suitable for vegetables, flowers and fruit |
| | 20kg | \$ 45.00 | |
| EF Natures Nitro | 15kg | \$ 37.00 | Contains EF Raw Humates along with high levels of calcium and carbon to detoxify soils, balance soil pH and improve water holding capacity |
| EF Natures Organic Fertiliser (BioGro) | 5kg | \$ 17.00 | General garden fertiliser. A blend of Soil Force, Recharge and BAS 50 |
| | 20kg | \$ 41.00 | |
| EF Raw Humates (BioGro) | 20kg | \$ 28.00 | Good for improving the soil water-holding capacity. Fungal food, detoxifier and nutrient stabiliser |

Home Garden Solid Products (continued)

| Product | Size | Price (incl. GST) | Description |
|------------------------------|------|-------------------|---|
| EF Recharge (BioGro) | 20kg | \$ 28.00 | Composted calcium carbonate with EF Raw Humates |
| EF RPR | 20kg | \$ 23.00 | |
| EF Soil Conditioner (BioGro) | 20kg | \$ 17.00 | |
| EF Soil Force (BioGro) | 15kg | \$ 41.00 | Composted RPR with humic acid, fish protein and basalt rock dust |
| EF Soil Mag (BioGro) | 20kg | \$ 20.00 | Composted magnesium containing crushed serpentine rock, raw humates and fish |
| EF Soluble Humates | 20kg | \$ 66.00 | Increases CEC, protects against sodium and pH fluctuations, increased aeration and has natural chelating capacity |
| EF Soluble Nitrocal | 25kg | \$ 44.00 | Increases calcium availability, providing both nitrate nitrogen and ammonium nitrogen, |

Home Garden Liquid Products

| Product | Size | Price (incl. GST) | Description |
|-------------------------------------|-------|-------------------|---|
| EF ACE | 1L | \$ 17.00 | Liquid Fulvic acid. Add to foliar feeds, animal feeds and as herbicide amelioration |
| | 5L | \$ 43.00 | |
| | 20L | \$ 76.00 | |
| EF Activated Carbon Foliar (BioGro) | 1L | \$ 17.00 | Liquid Bio-Char is a stable carbon source with amazing plant growth enhancement properties |
| | 5L | \$ 33.00 | |
| | 20L | \$ 84.00 | |
| EF Bio-Cal (BioGro) | 1L | \$ 17.00 | Liquid calcium spray to lift calcium availability in soil |
| | 5L | \$ 31.00 | |
| | 20L | \$ 76.00 | |
| EF Cal Bor (BioGro) | 1L | \$ 17.00 | Micronised boron with liquid kelp and humates |
| | 5L | \$ 33.00 | |
| | 20L | \$ 102.00 | |
| EF Cal Phos (BioGro) | 1L | \$ 17.00 | Liquid micronised RPR used to increase calcium and phosphate availability and boost Brix reading |
| | 5L | \$ 29.00 | |
| | 20L | \$ 76.00 | |
| EF Carbon Plus | 125mL | \$ 56.00 | A powerful surfactant which improves moisture absorption. Increased yield for the same fertiliser usage |
| | 1L | \$ 173.00 | |
| | 5L | \$ 863.00 | |
| EF Fish Plus (BioGro) | 1L | \$ 17.00 | Organic foliar feed. Contains hydrolysed fish and kelp |
| | 5L | \$ 55.00 | |
| | 20L | \$ 102.00 | |
| EF Fruit Size | 1L | \$ 17.00 | Foliar spray to fill fruit and increase fruit size |
| | 5L | \$ 45.00 | |
| | 20L | \$ 127.00 | |
| EF Glypho-Mate (weed spray) | 1L | \$ 23.00 | Use this product if glyphosate herbicide is required, as it reduces negative soil impacts |
| | 5L | \$ 101.00 | |
| | 20L | \$ 253.00 | |
| EF Humus Builder | 1L | \$ 17.00 | Boosts photosynthesis, root growth, rhizosphere microbes and humus creation |
| | 5L | \$ 39.00 | |
| | 20L | \$ 76.00 | |

Home Garden Liquid Products (continued)

| Product | Size | Price (incl. GST) | Description |
|--------------------------------|------|-------------------|---|
| EF Liquid Alkaline Humates | 1L | \$ 17.00 | Potassium humate-based bio-stimulant with many benefits for soil and plant health |
| | 5L | \$ 60.00 | |
| EF Liquid Kelp (BioGro) | 1L | \$ 17.00 | Full-spectrum foliar and soil trace-mineral supplement |
| | 5L | \$ 55.00 | |
| | 20L | \$ 102.00 | |
| EF Micronised Humates (BioGro) | 1L | \$ 17.00 | Humic acid-based bio-stimulant with many benefits for soil and plant health |
| | 5L | \$ 77.00 | |
| EF Reproductive Foliar | 1L | \$ 17.00 | To ensure flower production and fruit set in tomatoes and fruit trees |
| | 5L | \$ 43.00 | |
| | 20L | \$ 127.00 | |
| EF Vegetative Foliar | 1L | \$ 17.00 | Full spectrum foliar nutrition to boost yield of nutrient-dense food |
| | 5L | \$ 43.00 | |
| | 20L | \$ 127.00 | |
| EF Vermicast | 1L | \$ 15.00 | |
| | 20L | \$ 70.00 | |

ALL LIQUID PRODUCTS AVAILABLE IN 200L, and 1,000L. Price available on application.

Microbes/Innoculants

| Product | Size | Price (incl. GST) | Description |
|---------------------------------|-------|-------------------|--|
| EF 10/25 Soil Microbes | 100g | \$ 22.00 | Mix of bacteria and predatory fungi acting to improve soil structure and fertility. |
| | 1kg | \$ 127.00 | |
| EF Bacillus Subtilis | 1kg | \$ 102.00 | Controls Powdery Mildew and Downy Mildew, triggers plant immune system activation. Non-toxic |
| EF Bio-Vam | 100g | POA | Temporarily unavailable |
| | 500g | POA | |
| | 1kg | POA | |
| EF Combo 12 Powder (12 species) | 100g | \$ 22.00 | Predatory fungi and insect parasite mix for dealing with plant pests and diseases, including potato psyllid |
| | 500g | \$ 76.00 | |
| | 1kg | \$ 127.00 | |
| EF Compost Tea Brewing Kit | each | \$ 281.00 | 20L compost tea brewer (makes 1000L in total); a liquid fertiliser, bio-stimulant and pest management tool |
| EF Fermenters | 1L | \$ 17.00 | Foliar fertiliser with beneficial microbes present |
| | 5L | \$ 32.00 | |
| | 20L | \$ 102.00 | |
| EF Microbe Food | 1kg | \$ 17.00 | Microbe food formula to encourage rapid multiplication of microbes for compost tea and microbe brews |
| | 5kg | \$ 66.00 | |
| | 10kg | \$ 121.00 | |
| EF P.S.A Brew | 1000L | \$ 600.00 | Increases beneficial microbial diversity on vine foliage and in soil, with no with-holding period. Non-toxic |
| Replacement Microbes and Food | | \$ 140.00 | For compost tea brewing. Makes 1000L |

Chelates

| Product | Size | Price (incl. GST) | Description |
|--------------------|------|-------------------|--|
| Boron Chelate | 1L | \$ 27.00 | Micronutrient fertiliser that provides readily available boron for plants |
| | 5L | \$ 89.00 | |
| | 20L | \$ 297.00 | |
| Copper Chelate | 1L | \$ 20.00 | Micronutrient fertiliser that provides readily available copper for plants |
| | 20L | \$ 278.00 | |
| Iron Chelate | 20L | \$ 198.00 | Micronutrient fertiliser that provides readily available iron for plants |
| Magnesium Chelate | 1L | \$ 17.00 | Micronutrient fertiliser that provides readily available magnesium for plants |
| | 20L | \$ 198.00 | |
| Manganese Chelate | 1L | \$ 17.00 | Micronutrient fertiliser that provides readily available manganese for plants |
| | 5L | \$ 60.00 | |
| | 20L | \$ 198.00 | |
| Molybdenum Chelate | 1L | \$ 17.00 | Micronutrient fertiliser that provides readily available molybdenum for plants |
| | 5L | \$ 60.00 | |
| | 20L | \$ 198.00 | |
| Selenium Chelate | 1L | \$ 38.00 | Micronutrient fertiliser that provides readily available selenium for plants |
| Zinc Chelates | 1L | \$ 17.00 | Micronutrient fertiliser that provides readily available zinc for plants |
| | 5L | \$ 35.00 | |
| | 20L | \$ 100.00 | |
| | 200L | \$ 770.00 | |

Animal Health

| Product | Size | Price (incl. GST) | Description |
|---|------|-------------------|---|
| EF Molasses (BioGro) | 1L | \$ 8.00 | Supplementary stock feed, also sold in 1000L Pods |
| | 5L | \$ 31.00 | |
| | 20L | \$ 50.00 | |
| | 200L | \$ 253.00 | |
| Poultry Minerals | 5kg | \$ 32.00 | Poultry food additive to enhance health, growth and egg production |
| | 20kg | \$ 127.00 | |
| Poultry miticide | 1L | \$ 17.00 | Biological mite control that enhances poultry health and egg production |
| | 5L | \$ 52.00 | |
| | 20L | \$ 152.00 | |
| Stock Lick (powder) | 20kg | \$ 63.00 | Top quality vitamins and minerals, amino and humic acids plus ag salt for healthy stock |
| Stock Primer for Pigs, Goats, Chickens and Dogs | 1L | \$ 17.00 | Humate-based mineral drench/ food supplement for chickens, dogs, cattle, and sheep |
| | 5L | \$ 61.00 | |
| | 20L | \$ 152.00 | |
| Equine Stock Primer (No Selenium) | 1L | \$ 17.00 | Powerful detoxifier, improves digestion and reproduction, promotes vigour and wellbeing in horses |
| | 5L | \$ 61.00 | |
| | 20L | \$ 152.00 | |

Soil Testing and Recommendations

| Product | Size | Price (incl. GST) | Description |
|--------------------------------------|------|-------------------|---|
| Reams Soil Test | each | \$ 76.00 | Tests the plant-available minerals in the soil |
| Reams Paramagnetism soil test | each | \$ 13.00 | |
| Reams Humus soil test | each | \$ 19.00 | |
| Melhich 3 soil nutrient analysis | each | \$ 265.00 | Cation Exchange Capacity (CEC) soil test carried out by Southern Cross University in Australia |
| Hill Laboratories soil test | each | \$ 279.00 | |
| Hill Laboratories herbage | each | \$ 253.00 | Trace minerals analysis of herbage |
| Microbial activity soil foodweb test | each | \$ 392.00 | |
| Fertiliser recommendations | each | \$ 180.00 | Analysing the Reams Soil Test results, EF technical consultants will make recommendations suited to soil type and crop requirements |

Equipment

| Product | Size | Price (incl. GST) | Description |
|----------------------------|------|-------------------|--|
| Bulk Spray Unit | each | POA | |
| Garlic Crushers | each | \$ 51.00 | Strong, robust garlic crusher for extracting juice from plants to measure brix levels |
| Hose venturi diluter units | each | \$ 20.00 | Fast, convenient, hassle-free liquid foliar feeding while watering your garden from 5L container |
| MRET device | each | \$ 822.00 | |
| Refractometers | each | \$ 165.00 | For measuring the brix (sugar content) of plants |
